## WE'RE LOCAL PEOPLE WHO LOVE SOUP AND SEAFOOD

Welcome to the real thing, an authentic clam shack that remains true to tradition. The Blount family started in the food business in 1880 harvesting and packing oysters and clams from Narragansett Bay, and we're sure that previous generations of our family would be thrilled to see guests today digging into the tasty fare at the Blount Clam Shack.

We serve pure, wild-caught fish and shellfish that are sustainably harvested by our trusted suppliers who fish the coast of the North Atlantic.

The freshness of our seafood and our simply delicious home-style recipes are at the heart of our clam shacks – created to honor that distinctive New England shore vibe!
